MEDICINAL.

OREWARD FOR WOMEN

So unitormly successful has Dr. Pierce's Pavorite Prescription proven in all forms of Pennalc Weakness, Prolapsus, or Falling of Womb, and Leucorrhea, that, after over a third of a century's experience in curing the worst cases of these distressing and debilitating ailments, Dr. Pierce now feels fully warranted in offering to pay \$500 in cash for any case of these diseases which he cannot cure.

miny warranted in offering to pay \$500 in leash for any case of these diseases which hecannot cure.

IT STANDS ALONE.—The "Pavorite Prescription" stands alone, as the one and only remedy for these distressingly common forms of weakness, possessed of such positively specific curairse properties as to warrant its makers in proposing, and bisding themselves to forfeit, as we, the undersigned proprietors of that wonderful remedy hereby do, to pay the sum of \$500 in legal money of the United States in any case of the above diseases in which after a fair and reasonable trial of our treatment, we fail to cure. No other medicine for the cure of woman's peculiar ailments is backed by such a remarkable guarantee; are other medicine for woman's ills is possessed of the unparalleled curative properties that would warrant its manufacturers in making such an offer; no other remedy has suche record of sures on which to base

sessed of the unparalleled curative properties that would warrant its manufacturers in making such an offer; no other remedy has such a record of cures on which to base such a remarkable offer.

Therefore, insist on having Dr. Pierce's Favorite Prescription and turn your back on any unscrupulous dealer who would insult your intelligence by attempting to foist upon you some inferior substitute, under the plea that "it is just as good." Insist on having the article which has a record of a third of a century of cures and which is backed by those willing to forfeit \$500 if they cannot cure you.

In cases attended by a leucorrheal drain a solution of Dr. Pierce's Lotion Tablets should be used conjointly with the use of the "Favorite Prescription." They are sold by all druggists, or sent post-paid to any address, on receipt of 25 cents in stamps. Send 31 cents in stamps for Dr. Pierce's Common Sense Medical Adviser. Peculiar Plea for Divorce.

In a suit brought at Tacoma, yesterday by Mrs. Sadie A. Lytle for divorce from her husband, William D. Lytel, the teachings of Rev. F. W. Sanford, of Shiloh, Me., who insists he is "Elijah" sent back to earth to restore the church to its apostolic purity, are set forth as one of the things which have broken up the peace of her home and ruined her life. The complainant says that when Sanford was in Tacoma Lytle imbibed his teachings, accepting and believing the doctrine of this "wolf in sheep's and, with groans and tears, go out and beseech some of his friends to come in and help him pray his wife out of hell. Meantime the larder ran low and she was obliged to take in washing to win her bread.
